VALHALLA

Fourteenth Edition

Powell Valley High School

Big Stone Gap, Virginia

ALMA MATER

To Vikings bold we give our love,
Our dreams, our tributes true.
Through life's full course
our hearts will move
To bring you honor too.
So hail to thee, O noble school:
Stand firm and strong and right;
And may we ever look to thee
For strength, love, and purity.

These cards are marked!!!

Here's one for the road! Bottoms up!

I hope the day will be a
lighter highway,
For friends are found on
ev'ry road;
Can you ever think of
any better way
For the lost and weary
travellers to go?

10 to 1 the Seniors don't make it!

Smile you're on candid camera.

It seems to me a crime that we should
age,
These fragile times should never slip us
by:
A time you never can or shall erase,
As friends together watch their childhood
fly.

Just doing our duty.

Summit Conference of the Heads of State.

She ain't heavy, she's my friend!

The Three Musketeers — light and fluffy!

Rest Stop! Finally!!!

Touchdown??

Making friends for the world to see
Let the people know you got what you need;
With a friend at hand you will see the light
If your friends are there, then everything's
all right.

New Boss Tackles Old Problems

As the new principal of Powell Valley High School, Mr. Lester proved himself more than capable of dealing with the problems of a large high school. The students found him to be a concerned, orderly, punctual, helpful, interested, and conscientious man. We appreciated his patience and understanding.

The Faculty

Love and friendship are two qualities that an educator in a modern day school system must possess — love of teaching and friendship with his or her students. The educators of Powell Valley have displayed both qualities in the classroom and out. This year has been a year of change for Powell Valley with a new principal, new teachers, and new innovative ideas coming on the scene. But change keeps a school young, therefore Powell Valley is just beginning.

CLASSES

Seniors

Sending invitations, cap and gown measurements, parties, new clothes, Class day, the worry of summer jobs and the relief of getting out of school — all this is graduation. Yet it is much more. A feeling of nostalgia, having reached a goal in life, missing the pep rallies, the ballgames, and most of all the relationships with friends. All this makes leaving that much harder. There is no returning.

Me? Go in?

The VALHI underwent a metamorphosis during the 1972-73 session. We used new ideas, a new format, and new printing to produce the five issues. Dana McCoy and Teresa Kirk began early in the year to work to produce a quality paper. Sheila Zirkle and Diane Kelley along with Mrs. Lee attended the SIPA meeting in Columbia, South Carolina, in April. They learned much about reportage, layout, photography, etc. We anticipate that next year will yield the fruits of our experience this year.

We wish to thank members of the English Department who served as our sponsors.

SCA Promoted Good Will

President . . . . . Debbie Lane
Vice-President . . . . . Mike Flanary
Secretary . . . . . Duane Tate
Chaplain . . . . . Blaine Boatright
Sponsor . . . . . Mr. Gary Williams

This year the SCA participated in many worthwhile projects. We planted a freedom tree in honor of the veterans, missing-in-actions, and prisoners of war.

We held a mock election to see whom the student body wanted for President. The election was won overwhelmingly by President Nixon.

The SCA helped around school this year by fixing bulletin boards and cleaning trophy cases.

The SCA held two dances, the Homecoming Dance and a sock hop. The Council chose the theme for the Homecoming, "Color My World." We made a float for the Queen and her Court.

During Christmas the SCA had a Christmas party for the school. Everyone went to the cafeteria to enjoy punch and cookies. We also sponsored the Intramural Basketball program.

The SCA participated in several district and state meetings of our organizations. Members of our organization attended the district meeting in Clintwood and we sent three representatives to the State Convention. Debbie Lane, Diane Phillips, and Mr. Williams brought back new ideas to enrich next year's SCA.

We wish to express our appreciation to Mr. Williams for his guidance during this year.

The purpose of the Future Homemakers of America is to promote a growing appreciation of the joys and satisfactions of homemaking, to further interest in home economics, and to provide wholesome individual and group recreation.

Our topic of study for the year was "Decisions that count." We had speakers who guided our thinking on decisions such as travel, ecology, and careers.

To promote our department, we entered a float in the Homecoming Parade, sponsored a Christmas Crafts Open House in our department, and presented an assembly program "Customs and Costumes of Women in the Development of America."

To improve our department, we contributed our efforts to earn partial payment toward new kitchen equipment and appliances, sewing machines, curtains, and accessories.

We participated in Federation and State meetings and conferences throughout the year and received an "Outstanding Chapter Award" from the Virginia Association of Future Homemakers of America.

Key Club Helped By Parking Cars

Escopodes of Slave Day.

The Key Club, a service organization, is a part of Kiwanis International.

Every year the Key Club has many projects, and this year was no exception. Whether it was selling the members as "slaves for a day," parking cars, or sponsoring the annual Sweetheart Dance, the members were always busy. Gary Hensley was selected in a difficult decision as Miss Polecat Valley. At the Sweetheart Dance, Kathy Poole was crowned as the new Sweetheart.

The Key Club was fortunate to have as a capable sponsor, Mr. Rucker Skeen.

The Library Club consisted of seventeen members. They were very loyal and dedicated members to the library and to the school.

The Library Club sought to further the objectives of the school in helping both faculty and students in effective usage of all materials and in helping to keep the library attractive and orderly.

Our activities this year, in addition to our regular meetings, included sponsoring a Music Club assembly program about the music and times of Fritzi Scheff, a new book display and faculty party "Spring into Reading," displays including a special one for National Music Week, a tour of Mountain Empire Community College including the library, and our last meeting together at the Coach House where awards were presented to club members.

We would like to express appreciation to Miss Scott, our librarian, who has stood by us through every day of this year and to our faculty and fellow students for their excellent cooperation.

Miss Scott, our leader.

The Powell Valley High School chapter of Mu Alpha Theta, a national high school and junior college mathematics club, was charted this year. The club sponsored speakers at three open evening meetings. Mr. James Durham and Mr. Art Moore from MECC came to speak on Hexahexa-flexagon and the nine point circle respectively. Mr. George Culbertson from Clinch Valley College spoke on the computer. A linkup with the computer at the University of Virginia was made possible through use of the telephone.

We anticipate that another year will prove as interesting.

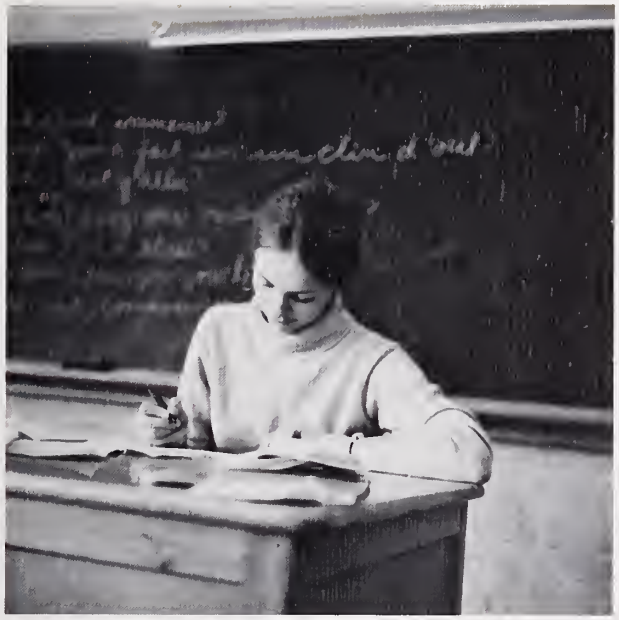
The Roman Club had many activities. During the first meeting we elected officers and made plans for the year. Later we discussed new member initiation.

During other meetings we had filmstrips and talks on Roman history. Later we held our annual Latin Banquet. We sold the first year students as slaves and each had to serve his master as best he could. After a few antics, we were entertained by piano solos, songs, and dances.

We wish to thank Mrs. Rose for her patience and understanding throughout the year.

French Club Dined In Style



Mrs. Lee grodes popers in French closs.

President . . . . . Marcia Quesenberry
Secretary-Treasurer . . . . . Ann Midkiff
Sponsor . . . . . Mrs. Brenda Lee

This year the French Club was the busiest ever. In our projects, we not only learned the language, but we learned about the people and customs.

On the agenda this year were two main projects. The first was carolling at Christmas. We enjoyed walking in the snow, singing French carols, and returning to the church for hot chocolate and cookies. Even if the listeners could not understand the words, they still share in the joy we had in singing them.

But the main event of the year was the huge French dinner. Each member was asked to bring a French dish of his own choice. Among the different delicacies were cheese souffle, onion soup, French green beans, crepe suzette, chocolate mousse, and French coffee. Mrs. Lee was the master chef and she proved herself very capable. We wish to thank her not only for her Julia Child streak but as a great teacher and friend.

Speech Club Presented One Act Play

President . . . . . Pam Blake
Vice-President . . . . . Martha Horton
Secretary-Treasurer . . . . . Susie Smith
Reporter . . . . . Cindy Wilson
Sponsor . . . . . Miss Connie Mullins

The 1972-73 Speech Club experienced many activities during the school year. In participating in the Speech Club we not only learned to be better speakers, but also gained confidence in ourselves and became complete individuals.

Aside from making speeches, we also had debates, discussions, impromptu speeches, story-telling, and role playing. We presented the play, "The Lottery" to the student body and to the Junior Women's Club.

The class chose as outstanding people Foster Taylor, most talented; Martha Horton, most likely to succeed; Pam Blake, liveliest; Teresa Kirk, most talkative; Linda Taylor, quietest; Carolyn Turnbough, wittiest; Debbie Boggs, most serious; Teresa Stepp, most congenial; Faith Pitman, most improved; Carolyn Turnbough, Miss Speech; and Foster Taylor, Mr. Speech.

We would like to thank our sponsor, Miss Connie Mullins, for her help and guidance during the year.

Our first project was to sell Tom Watt Showcase items and Christmas albums. This was a success for our new club.

Debbie Yeary and Debbie Shular attended the FBLA workshop at J. J. Kelly High School in April.

On March 10, on Saturday, the FBLA went to Radford to compete in a number of contests. Contestants from PV were:

Senior Stenography — Donna Peaks
Senior Clerk Typing — Debbie Dickenson
Junior Clerk Typing — Debbie Shuler
Bulletin Board — Kaye Hollinger, Debbie Dickenson
Parliamentary Procedure — Nancy Young, Sue Collier, Susie Smith, Marsha Grindstaff, Vera Ely
Essays — Vicki Mumpower — outstanding rating; entered in State Leadership Conference
Public Speaking — Debbie Yeary
Clerical — Rita Castle — 3rd place rating

On Tuesday, May 8, the FBLA took a trip to Kingsport. We ate at the "King's Table" and later saw a movie, "They Call Me Trinity," at the Martin Theater.

Along with routine art work the Art Club entered the Keep Virginia Green contest. Art students did a series of bulletin boards throughout the school. They drew up blue prints for the proposed driver's education lot, painted signs for school, did a banner for the Homecoming game, made posters for the Senior Play, and entered the poster contest for National Music Week. We helped paint downtown store windows for the State Championship game.

We wish to thank our sponsor, Mrs. Jarrett, for all her help.

Viking Band

Director: Mr. David R. Tipton

The Viking Band was busy this year with all the usual activities, but it was a year of rebuilding, a year of hard work. For the Band, the school year always begins in mid-August to prepare for football shows and the Bristol Band Festival. This year was no exception. Hours of marching produced memorable shows, and the year had only begun. Basketball season ushered in the pep band season, running concurrently with concert season. It seemed that as the basketball season picked up momentum so did the demands on our time. Concerts sprinkled the year — Christmas and Easter with the Glee Club — and Spring Concert in May. Mr. Robert Welch, Band Director at Western Carolina University, spent a weekend with us and we felt we profited by his professional guidance.

Not reflected in our ranks is the building program which Mr. Tipton has accomplished. An Intermediate Band, numbering approximately sixty, spent sixth period at Powell Valley in rehearsal. We feel the future is very bright with so many young members ready to move into the marching season next year.

The major project for the year was the purchase of new uniforms — $10.000 worth of new uniforms to be delivered in August, 1973. We wish to thank the Band Boosters who helped tackle this almost impossible task.

To Mr. David Tipton, our director, and to Mrs. Angie Tipton, his wife, who so ably trained the majorettes, we wish to express our appreciation.

The Football Story

This year's Viking squad was one of the best teams in the history of the school. First, they had one of the best records in the history, 7-2-1. The defense gave up only 42 points during the season, one of the best in the state. Coach Pruitt has a saying on his locker. "If you never score, you never win. If they never score, you never lose. Defense is the name of the game."

To Coach Maddux and his assistants, Don Pruitt and Dickie Cornett, we say thank you for making us the kind of team we finished.

The Basketball Story

Powell Valley's potent Vikings again proved to be the number one team in the Lonesome Pine District. Despite their lack of height, they never gave up and raced to a 24-4 record. The Vikings won the Wise County Tournament for the fourth time in five years, won the LPD regular season championship, finished second in the District Tournament, and won the Region D championship.

This was truly the best basketball season in the school's history. To Burrall Paye, a wonderful man and great coach, and to his assistant, Don Pruitt, we say thank you, and we anticipate even bigger records next year.

In junior varsity football the record was not the best, but the experience gained by the boys is the best record you can get. Coaches Walker and Bentley did a great job and next year some of the boys will help build up our varsity.

The JV basketball team also had a good year, finishing with a 13-5 record, and just missed qualifying to play in the district championship game. Again Coach Bentley did a fine job as each player gave his best to help the team and also improve individually. Coach Paye is also counting on several players to help the basketball team in 1974.

Cheerleaders

The job of building school spirit fell to six capable cheerleaders. Boosting morale and providing sympathy, they were a welcome sight to spectators and teams alike. At pep rallies they radiated pep and spirit; at bonfires they gave wholly of their vim, vigor, and vitality; at games they were there as the team entered. Through their untiring effort and devotion, the cheerleaders have proved a valuable asset to team and school alike.

One last laugh before we left. The year had ended and the annual was finished. Leaving behind all the great times, the laughing faces, the good-natured hugs, and the many friends, we walked out the door. We might return for a visit, but it would never be the same. The magic would be gone. In every mind was the hope that others would love Powell Valley as much as we had and would learn about life inside its walls.

We didn't look back. So we clowned for the camera — instead of crying.
